

Holy Smokes! Straight out of Muncie, Indiana, this soulful garage rock band brings an infectious energy that's impossible to ignore. Drawing inspiration from The Stooges, The Velvet Underground, The Kinks & The Small Faces, Holy Smokes is here to wake up the masses with their counterculture message, highly danceable rhythm section, powerful vocals, harmonies & spitfire guitar!

Fresh off the heels of their first record "Too Young To Die," Holy Smokes continues to deliver soulful garage rock anthems that make you want to dance. In a dystopian landscape where bands play it safe, Holy Smokes is here to ignite a rock & roll revolution!

Jamie: Lead Vocals & Guitar  
T: Bass Guitar & Backing Vocals
