

Holy Smokes! Straight out of Muncie, Indiana, this soulful garage rock band brings an infectious energy that's impossible to ignore. Drawing inspiration from The Stooges, The Velvet Underground, The Kinks, and The Small Faces, Holy Smokes is here to wake up the masses with their counterculture message, highly danceable rhythm section, powerful vocals, harmonies, and spitfire guitar.

After turning heads with their debut record *Too Young To Die* (featuring Judi Lee on drums), Holy Smokes has kept the fire burning with their latest single *No One To Trust*, powered by drummer Bryson Martin. In a dystopian landscape where bands play it safe, Holy Smokes is here to ignite a rock & roll revolution—one gritty, soulful anthem at a time.

Lineup:

Jamie Fallon – Lead Vocals & Guitar

T Fallon – Bass Guitar & Backing Vocals
